What is a Flipped Classroom?

How do I know what to flip?

Ask one question...

What is the most valuable use of class time?

Direct Instruction?

Exploration?

Discussion?

Application?

Assessment?

Remediation?

Then ask...

What can I time-shift out of class to increase the value of the face-to-face time?

Direct Instruction?

Exploration?

Discussion?

Application?

Assessment?

Remediation?

Do NOT ask...

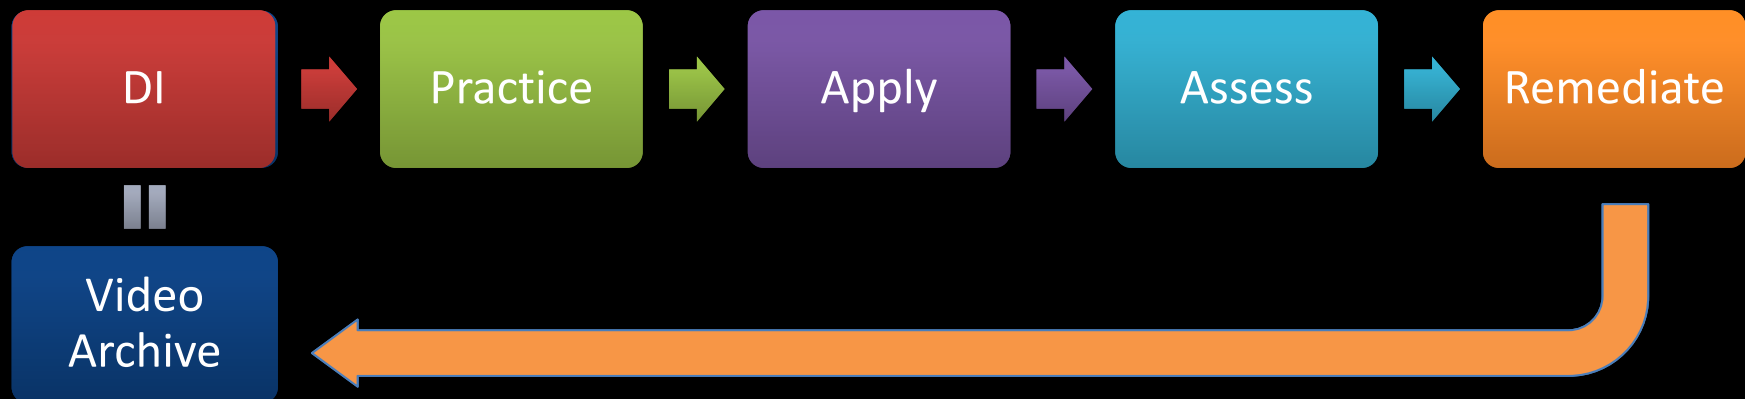

Where can I put a video into my lesson?
